

Removing a Property

Last Modified on 21/06/2019 1:43 pm AEST

If a property needs to be removed from your user account, this can be done by using the instructions below.

1. Log in to your StrataMax Portal Account.
2. Go to your account settings and select My Properties.
3. Click on the red X.

Properties		
Name	Details	StrataMax ID
Select TRAINING LEVIES (19831)	Lot 00001	96154573 Share Details
Select TRAINING LEVIES (19831)	Lot 00002	96154574 Share Details

4. A confirmation screen will appear and will require your password to remove the property.

Confirm Remove Property

Are you sure you want to remove the following property?

Building: **TRAINING LEVIES (19831)**
Details: **Lot 00002**
StrataMax ID: **96154574**

Note: By removing this property you will no longer have access to the property. You will be able to add the property again through the 'Add Properties' section.

Please enter your password to confirm the removal of this property.

Current Password
.....
