

StrataMax Portal

Last Modified on 19/01/2026 10:17 am AEST

This page contains the most recent release notes for the StrataMax Portal. A summary of the updates is provided below.

StrataMax Portal v1.1.0 Released 19th January 2026

What's New for Owners

The Invoice Hub has been redesigned to make viewing and approving invoices easier and more flexible.

Key Features

- **One Page for Everything:** Approve Invoices, Invoice Summary, and Invoice History are now combined into one page called **Invoice Hub**.
- **Responsive Design:** Works on desktop, tablet, and mobile for a better experience.
- **Easy Sorting & Filtering:**
 - Sort invoices by amount, date, or other details.
 - Filter invoices by building or search by creditor, amount, or invoice number.
- **Quick Actions:**
 - Select all invoices or just the ones you need.
 - Approve selected invoices with one click.
- **Clear Views:**
 - **Mine** – invoices waiting for your approval.
 - **Active** – invoices still in the approval process.
 - **All** – all invoices for the current and previous financial year.

Why This Matters

Owners can now manage invoices faster, with fewer clicks, and see everything in one place.
